

SPRING/SUMMER
2020

Sahalee Homeowners Association

Summer Fun Stuff

Neighborhood Garage Sale Scheduled for : To be Determined
Neighborhood BBQ: To be Determined.

Spring/Summer Reminders

- ◆ Boats, Rv's and other Summer Toys— Summer is here and most of us have brought out the summer toys for use. Early reminder that you have until October 15 before you have to put them away, so get out there and enjoy them while you can.
- ◆ Trash Can & Bears— It is that time a year again. To avoid bear problems, and per MOA ordinance, only place your garbage out the morning of trash day. Keep your trash secure – inside your home or garage – until the morning of pickup. Have smelly fish or organic materials to throw away? Keep it in the freezer until the day of pickup to eliminate any smells in your home. Keep all other bear attractants indoors or secured. That includes dog food, fish smokers, bird feeders and even fuel!
- ◆ Summer Projects— All exterior modifications, including Solar Panel installation , painting, fences, dog runs, retaining walls, out buildings, tree cutting, window or door additions, etc. require prior MC approval. If you have any questions refer to the Sahalee Declarations. Article VII. Visit the web site (www.sahalee.org) and down load the AR Form and submit to the modification committee (MC) listed on the form.
- ◆ Lot/Lawn Maintenance— remember the drainage swale between the sidewalk (if applicable) and the roadway is the responsibility of the owner to maintain.
- ◆ Pets— Be a responsible pet owner and good neighbor. Make sure you pick up immediately after your pet when walking the neighborhood.

“She turned to the sunlight And shook her yellow head,
And whispered to her neighbor: "Winter is dead.”

— A.A. Milne, When We Were Very Young
